

Campsites

Cabins

Cottages

Pioneer Campground is situated on 80 acres atop Sonestown Mountain at an elevation of 2000 ft in beautiful Sullivan County. Here, you can step back in time and relax at a slower pace. There is an unspoiled mountain environment, abundant wildlife, quaint villages, covered bridges, and excellent restaurants to discover. Once you experience Sullivan County and Pioneer Campground, it will become habit forming.

Hello from Pennsylvania!

Pioneer Campground is beautiful and the kids are having a blast. We're not sure we'll be able to leave. Between the swimming, playing, and planned activities, our days are filled with fun. We enjoy the peaceful nights by the campfire roasting smores and telling stories. Wish you were here!
